STAT

1. Through liaison with Mr. Jay Aldhizer of your Bureau, we have determined that your Hostage Rescue Team could provide information which would assist our DCI Protective Staff. We would, therefore, like to meet with your Hostage Rescue personnel, at their convenience, at Quantico to discuss those aspects of their mission which would be of interest in our protective duties for the DCI and DDCI.

2. The Chief, Security Education Group, the Chief of the DCI Security Staff, and two members of their staff, with your concurrence, will travel to Quantico and meet with the Hostage Rescue Team representative. This contact would be most beneficial to us. I would appreciate your favorable consideration of this matter. Should you have any questions or require further clarification please contact the Chief, Security Education Group.
